1999 Budget And Tax Abatement Are Issues At Board Meeting

by LARRY O'KELLEY
Freelance Writer

On October 28th the board held two public meetings in order to conduct their business. Prior to the regular board meeting they held a special meeting to approve the 1999 annual budget. Ordinarily this would be a procedural matter and quickly done. However, while no citizens present questioned the budget, there were several board members that expressed concern.

Trustee McKinney remarked that last year they held a work study to go over the "line items" and wondered why it was not done this year. Trustee Adkins also expressed concern over a few areas of the budget. While she did not indicate her specific budget concerns it was clear that she also wanted to see the line items.

The supervisor responded that he did not get any calls regarding the

budget during the week so assumed there were no problems. Trustee Glaab suggested that Mrs. Carny, who was in the audience, was available for questions, but the board members did not seem to be in a mood to question her when they only had the general budget in front of them.

There was some discussion regarding the need to approve the budget before or no later than October 31, 1998 so another meeting was scheduled for review of the budget. A work study was scheduled for Friday, October 30th at 4 p.m. and the special meeting to adopt a budget was set for 5:30 p.m. to approve the budget.

Because of our printing deadline we were unable to cover this meeting but assume that the budget was adopted. While it is likely that several budget items were discussed, the amount of the adopted budget should have been \$2,333,000.

In other action, the board denied a tax abatement request by Durgam Forge Inc. A representative of Durgam Forge spoke before the board and said that the company was losing about \$200,000 a month but that they were looking toward hiring of additional people and the prospect of having Toyota as a major customer. They requested that the tax abatement that was granted the previous owner be transferred to them.

Durgam had bought out New Huron Industries Inc. in the hopes of expanding their auto supply business and came to this area because of the accessibility of I-275 and the labor market.

A representative from the Michigan Jobs Commission also spoke on behalf of Durgam and emphasized that tax abatements could be used to give a new company "breathing room." He added that Durgam was in the process of

restoring a failing company and that tax abatements were proper for their efforts.

Trustee Mike Glaab spoke in favor of the abatement by indicating that the abatement was already on the books and to grant it for Durgam would not be a loss. This was an important point for him as well as the potential for success that Durgam brought to the community.

Trustee McKinney indicated that he was philosophically opposed to tax abatements and added that the purpose of a tax abatement was to attract new industry to the community. He indicated that it was not to "bail out" a failing business or for businesses already in the community.

The motion to deny the tax abatement was approved 4-3 with Supervisor Glaab, Trustee Adkins, Trustee Mason, Trustee McKinney voting in the majority.

Standoff In Huron Ends Well

On Wednesday, October 28, 1998, from 2 a.m. until

2:30 p.m. the Huron Township Police and the Michigan State Police S.W.A.T. Team were engaged in a standoff with a male

at the Swan Creek Mobile Home Park on Clark Road.

A resident of the park had locked himself in his home, threatening suicide. The police considered it their duty to secure the individual as there were no hostages. Huron Police Chief James Caygill felt the man wanted the police to shoot him (Copicide). The police, while acting in self-defense, shot the resident with a non-lethal weapon and the

police secured the resident's weapon.

Chief Caygill was extremely impressed with the professionalism of the State Police S.W.A.T. Team, the negotiators and Huron Township's own police officers and fire department and was happy that the incident ended without injury.

Police Chief James Caygill.

AL FRESCO

I hope you enjoyed the Southwest Bean Soup recipe from last week. The marriage of flavors in that soup are so great that there are usually no leftovers. I hope you were adventures enough to try it with the tequila. I have to say that it really adds a special touch.

This week's choice has a few unusual ingredients in it but they all work well together, trust me. I even used skim milk and lite cheese when I developed this recipe, so go ahead and use them if you like.

I hope this series is easy and also enjoyable for you and your family. I have a few more soups to share with you so clip and enjoy them all winter or whenever you're in the mood for homemade soup.

In the months to come I will be sharing some of my holiday fare. Some of these recipes

will include things that require little effort to put together when guests pop in on you. Others will enhance tradition and also make your holiday food colorful and light.

As Pope John Paul II celebrates his 20th anniversary of his election as Pope, Father Alexander J. Wytrwal, pastor of St. Stephen Catholic Church in New Boston, Michigan recalls his December 4, 1997 papal visit in Rome.

The happiest day in my life was the day I was ordained, May 20, 1950 at Blessed Sacrament Cathedral in Detroit, by the Archbishop of Detroit, then Edward Cardinal Mooney, D.D. Thursday, December 4, 1997 was another climax in my life! My trip to Rome was incredible! When I said Mass with our Holy Father, you all were in my prayers! I would have it no other way! After Mass, I again met our Holy Father John Paul the Second in his library where Princess Diana and world leaders come. In the photo above, the Holy Father also gave me a rosary blessed by him. Here I was in the presence of the world's most powerful spiritual leader and also the vicar of Christ on earth! It was beyond my comprehension! Today I want to share my joy

with you and wish everyone in the parish a "Merry Christmas!" I wish today my mother and father were alive. Never would they dream that their son someday would speak and shake the hand of our Holy Father! The whole day Thursday, December 4, 1997 in Rome will be in my memory forever! When I stop to think how many thousands go to Rome and they never make it this close to our Holy Father. I also wish you a happy new year. God bless you all for all that you do for our St. Stephen Parish and school. I was happy to be your pastor all these years. Love ya!

Grateful,
Father Alex J. Wytrwal

Father Wytrwal Meets With Pope John Paul II

One of the lucky priests to say Mass with our Holy Father John Paul the 2nd was Father Alex J. Wytrwal, Pastor of St. Stephen, New Boston. It happened in Rome on Thursday, December 4, 1997. The other priest with me was Father Michael Dylad (from Detroit) and Father Phillip Majka from Virginia. I also read the Holy Gospel as the Holy Father looked on me. I was just so close to the Holy Father! He is a very prayerful Holy Father. The Mass was said in the Holy Father's private chapel. I also approached the Holy Father and

received the Kiss of Peace from him. He laid his hands on my shoulders. I was so happy, when he said the peace of the Lord be with you! I went to Rome as a guest of my cousins, Drs. John and Margaret Casey. They wanted to see the pope! With me in the chapel were also their children James and Helen Casey, Walter and Helen Sokol, (from St. Stephen, New Boston), also parents of Dr. Margaret Casey and my first cousins, Mrs. Mary Ellen Herzog, sister of Dr. John Casey and myself, Fr. Alex J. Wytrwal. What an experience!

Hildebrand Carpet & Upholstery Cleaning

1. **Thorough Cleaning** - Use the most thorough cleaning method there is. Some cleaning methods use chemicals that leave a residue on your carpet. That doesn't get the dirt out, it just covers it up. My method doesn't leave a residue and is very powerful. It cleans way down to the base so your carpet will look brand new again.
2. **Stays Clean Longer** - Since we clean all the way down to the base of your carpet, your carpet will stay looking clean longer.
3. **I use only certified technicians.** Each technician has been through extensive training on how to properly use our super equipment. If a technician isn't properly trained, your carpet won't get thoroughly cleaned.
4. **100% Money-Back Guarantee.** If you aren't thrilled with your carpet, I'll refund every cent. No questions asked!
